**Statement of Authorisation and Acknowledgement:**

I \_\_\_\_\_, (PRINT NAME) certify that the information provided on the application form and employee self-health declaration is true to the best of my knowledge and consent to Eire Workforce Solutions collecting and providing this information to third parties in relation to securing either a temporary labour assignment or a permanent placement. I understand that intentionally misleading or failure to disclose any medical condition(s) may result in the termination of the assignment and accept that failure to declare information requested or relative to my application or employment now or in the future will result in my not being eligible for any claim for insurance resulting from a workplace injury.

I hereby give Eire Workforce Solutions permission to seek relevant medical information relating to workplace injuries previously suffered from my medical practitioners as well as the insurance companies who processed my claim. I also authorize the examining doctor to submit a medical report regarding the above statements, physical findings, audiogram and all other investigations to Eire Workforce Solutions. I further acknowledge that I am willing to undertake a full medical examination and/or drug and alcohol test at any time with my application and/or employment with Eire Workforce Solutions.

I confirm that I have been provided a copy of and have read and understand Eire Workforce Solutions Employee Policy Handbook and Letter of Engagement, by signing this document I accept, acknowledge and understand their contents and agree to abide by these policies.

I agree to comply with all Eire Workforce Solutions policies and procedures in respect to all matters pertaining to OH&S, and the practices, policies and procedures of all work places that I may be assigned to.
